THE MANY FACES OF ROOSEVELT

Our life here is made up of unobtrusive facets that in themselves tell a never-ending story.

The glow of achievement, the sting of defeat . . .

Muscles straining with rising tension . . .

Students poring over papers . . .

Spectators cheering on their team . . .

A patient teacher . . .

Friends engrossed in conversation . . .

Exploration of mutual interests . . .

The background for the human story—

Locker-lined hallways . . .

Wintry wind on the bleachers . . .

The long, long stairs . . .

Light sifting through windows . . .

Sunlight dappling the field . . .

Mounds of stacked books . . .

Our life at Roosevelt is a kaleidoscope of faces and impressions, ever changing, ever new, but seldom noted until they have gone by.

The many faces of Roosevelt . . .

Students poring over papers . . .

Spectators cheering on their team . . .

TO YOU, MRS. BRUCKER

Mrs. Aldona Brucker

DEDICATION

The best teachers extend and enrich our experience in and out of the classroom, enabling us to find more meaning in our personal approach to maturity. In her teaching career at Roosevelt, Mrs. Brucker has blended the scholastic and extra-curricular phases of school life. As sponsor of the National Honor Society and advisor to the Debating Club her services to us as students have been those of whole-hearted giving.

In her classroom, literature has come alive, and discerning criticism has been combined with a touch of light humor. Her pleasure in presenting clear and enlightening interpretations of English has refreshed our outlook on life.

The Senior Class is honored to dedicate L'Envoi 1963 to
MRS. ALDONA BRUCKER

A touch of humor.

Remember—

It all started way back at the beginning of the year. Since then alot of things have been said. (good & bad).

This is a year to remember, because of all the fun we have had. I still don't know how many times we cut, but it doesn't really matter. It is to bad that this can go on, but all good times have to come to an end.

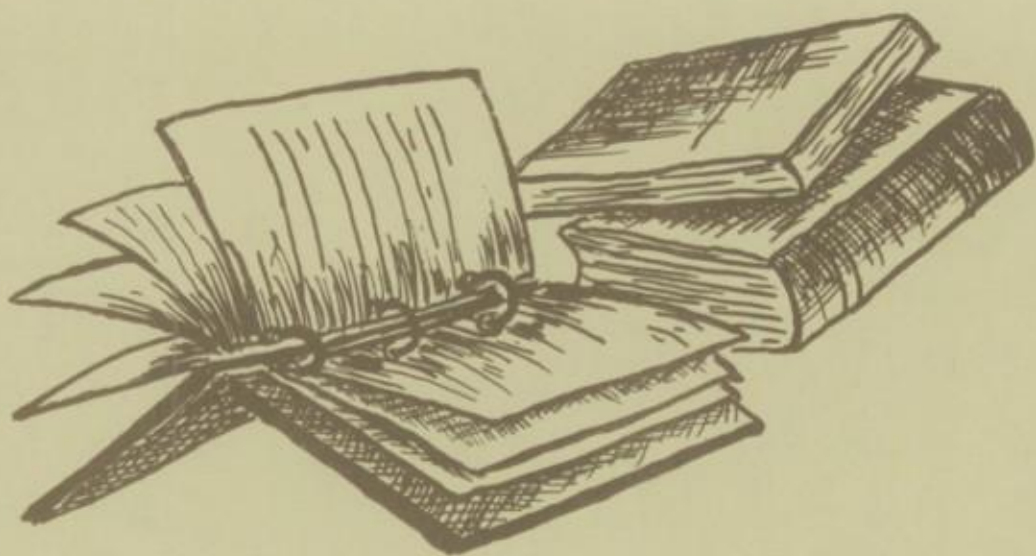

I will never forget these years in New York and at Roosevelt. I have kept a record of this past year & I must say without a doubt that I have enjoyed it with you & the car.

I am not very good at writing good-bys but what else can I say but it has been a real blast knowing you.

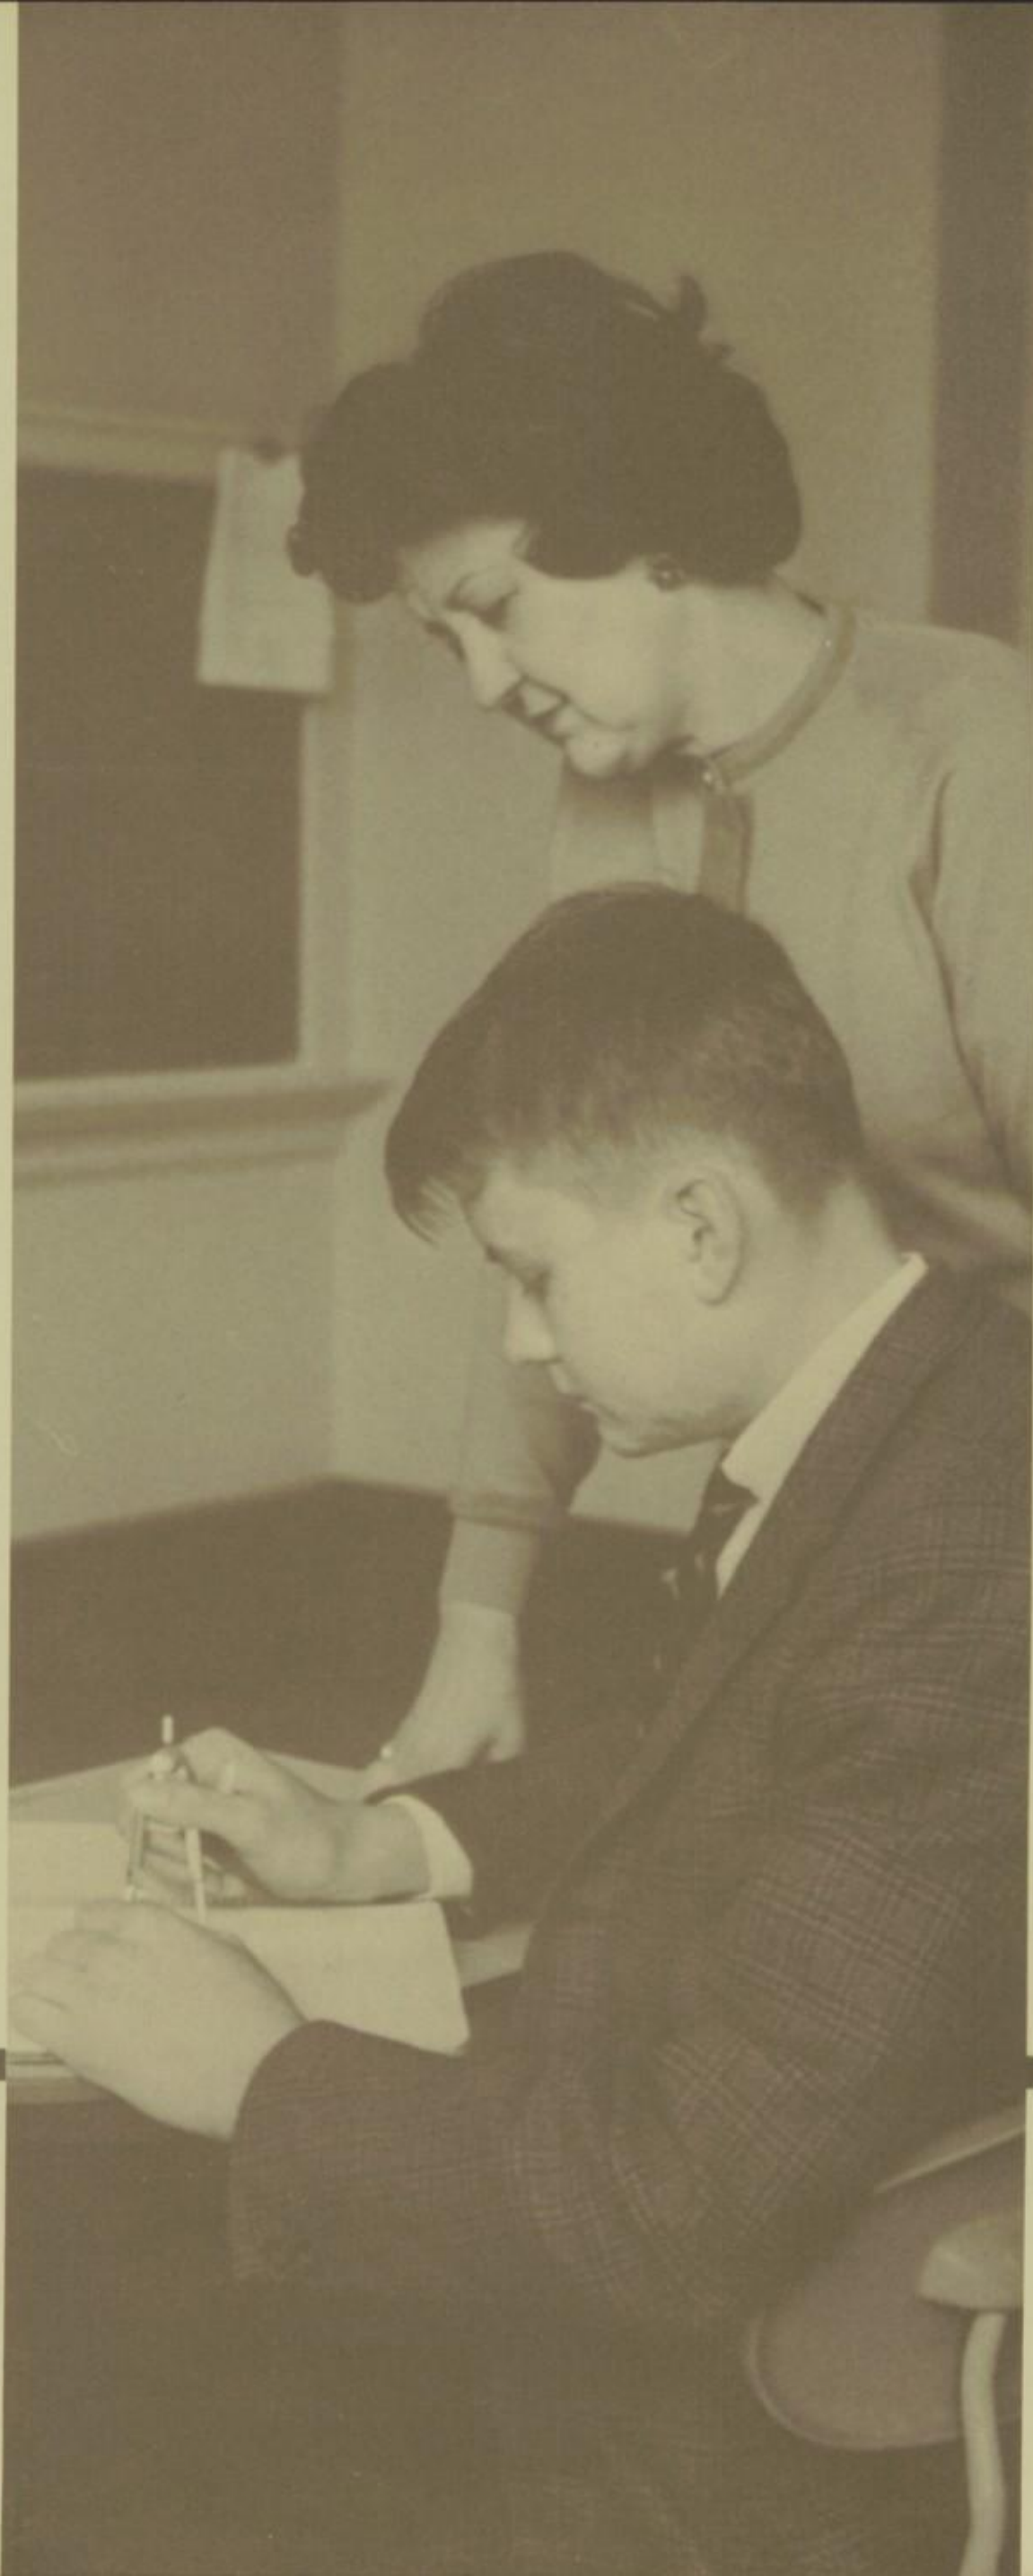

I wish you the best of luck at college and whatever your choice is for the future. I know you will make it because you have the will power to get ahead in what you do.

TWO TEACHERS RETIRE

Miss Helen Havey

Miss Alice J. Scott

Two truly fine teachers are leaving Roosevelt. Many years of excellent teaching and service are part of Miss Alice J. Scott's remarkable record at Roosevelt High School. Acknowledged as an integral part of R.H.S., she has been especially important for her work with scholarship exams and their administration. History has become more vital and real to her students, as she taught with patience and understanding. Regretful to see her leave, the Class of 1963 commends Miss Alice J. Scott for her many years of dedicated teaching at Roosevelt.

January 1963 also brought the retirement of our esteemed librarian, Miss Helen Havey. Her services to the school were many and varied. As librarian she aided students in delving into the mysteries of research and guided in the selection of books. Her warm interest encouraged us to consider her a valued friend. Roosevelt is truly grateful to Miss Havey for her sincerity and dedication.

THREE JOIN FACULTY

Three new teachers became members of the R.H.S. faculty at mid-year. Mrs. Frances Stangarone joined the language department to teach first and second year Spanish. Mrs. Margaret Cicchetti became chief dietician in the cafeteria, while Mrs. Caroline Iandoli is our new librarian. We welcome these newcomers and wish them every success at Roosevelt.

HAROLD F. REAGAN, Principal of Roosevelt High School

*To a wonderful

and happiness
Charles Reagan
"GIMPY"*

A proud moment — Mr. Reagan congratulates Jennifer Koster and Susan Dworkin, National Merit winners.

Administrative activities are many and diverse, requiring versatility and care. Such is the attention that Principal Harold F. Reagan and Vice-principal David Guest give to Roosevelt High School. In a school as large as ours, there is an infinite amount of work to be done, including the instruction of many students and a large public relations program. Always striving for the improvement of our school, our two big chiefs tackle the numerous problems with the greatest comprehension, determination and experience. Indeed, the job done by them is one of the principal reasons that the name of Roosevelt leads all the way.

DAVID A. GUEST, Vice-Principal

*Best wishes for

MELVIN GUTTMAN

MRS. MARY TROY

Mr. Guttman comes to grips with the problem.

Choosing the correct courses and ultimately the right career when formal education is finished, is an essential for a successful student. But even more important is the intelligent advice offered to students with special problems.

The guidance staff here at Roosevelt has shown unprecedented competence in pointing out the paths which may be followed after high school. Mrs. Gertrude Tyrrell and Melvin Guttman, counsellors for most of the seniors, capably guide them toward college careers or work opportunities after high school. Mrs. Mary Troy and Miss Jenele Wride skillfully direct the sophomores and juniors in choosing their courses for graduation and later life.

Roosevelt students are indeed fortunate that their abilities, attitudes, and careers are so well counselled.

Hard at work on applications.

English through the ages has offered unlimited opportunities for study and appreciation. At Roosevelt, the English Department offers a variety of courses aimed at guiding us toward these ends. We learn not only to use our language but also to enjoy its wonders.

In addition to classroom work, members of the English Department support organizations such as L'Envoi, Crimson Echo, Reflection and the Debating Club. These groups offer added interest to our school life and creative activities. To effect a deeper understanding of the drama, a trip to Stratford, Connecticut, is planned during the year to see live Shakespearean drama.

This year, two new teachers have joined the English staff. Mrs. Feingold, teaching sophomores, and Mr. Bosshardt, teaching both sophomores and juniors, have added their talents to the quality of the R.H.S. English department.

An interest in and knowledge of current affairs is vital in understanding the workings of this modern age. A prerequisite to comprehend them is a basic historical background of American and world history.

In addition to regular classroom work, various newspapers are read to keep us informed of important world happenings. *The Herald Tribune* is received daily in junior classes with a weekly supplement, and the *American Observer*. Pamphlets on essential topics are also used in senior history classes.

Outside the regular classroom related activities add to the knowledge of history. A program on the National Economy on Channel 13 is recommended to history students. Outside research and special panels help to provide an ever broadening perspective. To increase our knowledge of the world around us, Mrs. Mayer is sponsoring a United Nations Club.

Headed by Miss Alice J. Scott, the History Department has been enlarged this year by the addition of three new teachers: Miss Clarke and Miss Goldman teaching world history and Mrs. ElShafie who teaches both American and world history.

DR. SADIE WALTER

Yonkers Language Co-ordinator

"Du dum Kopf!" sagt Dr. Kaufmann

Ability to speak, read, and comprehend a foreign language is essential for the well-rounded individual in today's world. Roosevelt's language department offers three modern languages—French, German and Spanish—and one classical language—Latin. Under the guidance of Mrs. Gertrude Steiner, this department teaches the cultural background of each language as well as the grammar and conversation necessary to practical knowledge. The language clubs provide additional opportunities for advanced students to seek further knowledge in the Spanish, French, or German languages. Through hearing guest speakers, seeing foreign movies, and dining at foreign restaurants, they achieve greater fluency in the language and interest in the people who speak it.

Learning a language other than his own has given the R.H.S. student an appreciation of communication between peoples and a knowledge of different cultures.

Many innovations have been added to the program of the Roosevelt Science Department this year. Mr. Bruce Worthington, new department chairman, has been teaching a class in advanced chemistry as an experimental course for the whole city of Yonkers. Roosevelt was chosen for the experiment as a result of increased interest and high intellect in R.H.S. chemistry students. Our chemistry department now has the highest enrollment in the history of the school. With more new lab facilities, there is great opportunity for experimentation, this being especially true in the advanced class.

We have many new teachers this year, including Miss De Lango, Miss Gelpi, and Mrs. Schwartz who teach biology and Miss Russell and Mr. Norton, who teach chemistry. Mr. Rodner resumed teaching physics this year.

MATHEMATICS

Mr. Van, the Bard of Roosevelt

Good luck - you'll need it - Van

Equations of gradually increasing difficulty can become relatively simple to a Roosevelt math student. From geometry, taught by Mrs. Gabin, Mrs. Comparato, Mr. Goder and intermediate algebra, taught by Mr. Mc Daniel, interested math scholars go on to Mr. Van Anden's course in solid geometry, advanced algebra and ultimately college math. Offered the utmost in mathematical opportunities, we learn quickly to think clearly and accurately. Textbooks are only a supplement for math courses, which call for alertness of the mind, in addition to intellectual ability.

Miss Andrews teaches diverse music courses and leads two R.H.S. choirs, which, when combined, create one of the finest singing groups in the county.

Under the direction of Mr. Humphrey, the R.H.S. orchestra and marching band have become well known. Frank Miller and Peter Solano were selected for the all-state band this year.

Home Economics and Industrial Arts, directed by Miss Hyra, Mr. Brooks, Mr. Hunter and Mr. Bloecher, are important in that they develop the basic talents needed in today's society, those that center around the home.

A program designed to promote habits and attitudes needed for occupational adjustment, as well as academic skills, is offered by Mr. Williams and Mr. Timmons.

Physical fitness is more than a slogan at Roosevelt. In the Physical Education department, the Indians release their tensions and relax while madly following the game. Teamwork and sportsmanship are essential in our training. Exercises, sports, and physical skills, along with cooperation and enthusiasm, all contribute to the Roosevelt spirit which makes us better citizens.

In room 224, we learn another phase of health education. Through assemblies, movies, and class discussions, Mrs. Reagan teaches us the basics of good health, both mental and physical. With these fundamentals, we are better equipped to lead happy and healthy lives.

Mrs. Reagan says, "Never diagnose!"

Mr. McDaniels discusses his scholars.

P. T. A.

The Parent-Teacher Association is an integral part of Roosevelt and its success as a school. Many educational programs were scheduled for this year. The November meeting drew a large audience when speakers from New York University and the University of Pittsburg spoke on college; its entrance standards and requirements; and opportunities offered through higher learning. The traditional American Field Service meeting was held in February in support of the most worthwhile foreign student exchange program.

Mrs. L. S. Fleck, president, directs a large board in its many activities. Among them is the financing and preparation of a senior party at the end of school in June.

OFFICE

Office duties, which must be carefully executed in the intricate business of our school, are exceptionally well carried out by the R.H.S. office staff. The newest member of this group is Mrs. Vera Whelan, able secretary to our principal. Invaluable is the word to describe our registrars, Mrs. Gertrude Cooper and Miss Diane Fetchko. Taking care daily of any and all student problems, their services to the school are unequaled in method, attitude, and result. Through this staff, the coordination of the whole school is effected, including records, scholarship, marks, programs, and jobs. Each R.H.S. student is indebted to the office staff for their faithful work.

CAFETERIA

Under the direction of Mrs. Domini Ciampa, our friendly dietician, the Roosevelt cafeteria has run efficiently this year. Her capable staff of twenty-two members has served daily lunch to over one thousand students and teachers. From their modern, well-equipped kitchen, the cafeteria staff has offered nourishing and attractive meals, the most popular dishes being chocolate cream pie, wedges, and home-made cookies.

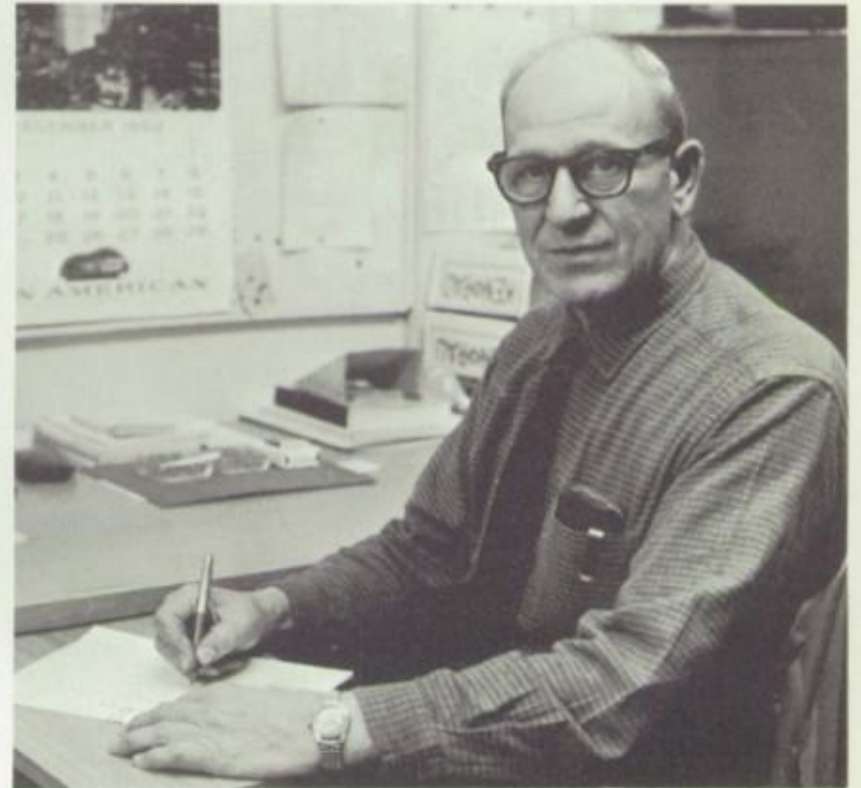

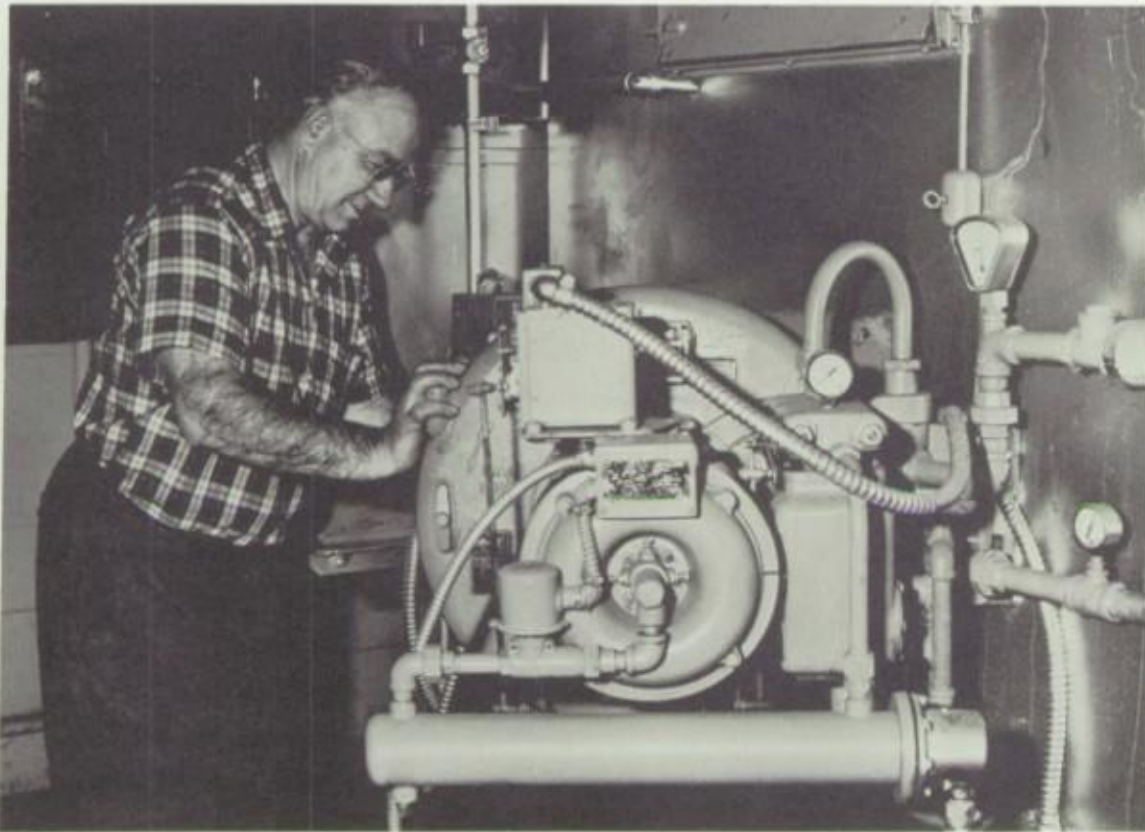

A special service of the cafeteria is the opportunity to order, in advance, meals to suit individual diets or needs. These requests are cheerfully fulfilled as a service to the R.H.S. student and faculty member.

Dan joins the honored few.

In order to recognize the achievement of certain outstanding individuals in Roosevelt, our chapter of the National Honor Society inducts into its ranks those students who best qualify for membership. No more than ten per cent of a class may be accepted. This society, though honorary, offers several volunteer services, foremost of which is the tutoring aid it gives to other students.

This year, the N.H.S., under the sponsorship of Mrs. Steiner and Mrs. Brucker, elected as its officers: Joseph Malpeli, president; K. William MacLean, vice-president; Barbara Saunders, secretary; and Lucille Atkin, treasurer. The main business of this year is rewriting the constitution of the Roosevelt chapter.

In May, outstanding juniors were inducted to become the leaders of next year's society.

After several preliminary examinations and applications, Roosevelt was honored with two NATIONAL MERIT SCHOLARSHIP winners this year. Susan Dworkin and Jennifer Koster both qualified for scholarships in heavy competition with seniors throughout the country. Letters of commendation were sent to fourteen other Roosevelt students who displayed outstanding achievement in this exam.

For performing outstanding work on the P.S.A.T. exam in October, eight seniors qualified as finalists for NATIONAL HONOR SOCIETY SCHOLARSHIPS this year.

From a class of over four hundred students, Adrian Misarti and Belle Levinson were voted as the OUTSTANDING SENIOR BOY and GIRL. Chosen for their outstanding qualifications, they represented us in the Thom McAn contest and were both given awards at graduation.

Thirty-seven Roosevelt seniors again upheld the academic name of our school when they each won a NEW YORK STATE REGENTS SCHOLARSHIP. The October exam brought happy mid-winter results to these students and nearly fifty others who were placed on the alternate list.

The highlight of this school year for science students was the YONKERS SCIENCE FAIR. Held in our own gym, it had hundreds of entrants in its biology, chemistry, and physics divisions. From Roosevelt, Marc Brodsky took FIRST PLACE in senior physics and several other RHS'ers were awarded prizes in other fields. From here, the winners went on to enter the Westchester County Fair.

The senior class this year was lead by Lucille Atkin, VALEDICTORIAN and Belle Levinson, SALUTATORIAN. As the students with the highest averages for three-and-a-half years, these two girls have been fine examples of outstanding scholarship.

Exuberant is the word for our energetic Junior Class. Out to set new goals while working to keep the old, these upper classmen are always on the go.

The corridors echo with "Oh! You got the small size!" and "I like yours better," as they proudly display their class rings. The Class of '64 also sponsored "Red and White" Day, the traditional Roosevelt way of displaying school spirit. As a class project, Roosevelt sweat shirts were sold in order to increase the funds in the treasury. Following the lead of last year's class, money was sent to help Kyung Hwa Lee, our adopted Korean child. Finally in June came the Junior Prom, the climax to a wonderful year.

Mike Morrone is chief of this tribe of Indians. Vice President Randy Levey, Secretary Jane Young and Treasurer Rita Epstein work well with Mike to provide skillful and experienced leadership.

L'Envoi Juniors work diligently, selling ads, persuading reluctant buyers to support our favorite yearbook.

Activities and sports coverage fall to the literary and sports staffs.

And, of course, behind all the chaos, we find Miss Willner and Cathy, Mrs. Hammer and Gary, Mrs. Gilbert and her staff, somehow managing to remain cheerful; perhaps by reminding themselves, "Though this be madness, yet there's method in it."

At Roosevelt, we are proud to have a newspaper that meets the demands of an active school. The *Crimson Echo*, published once a month, contains clear, interesting reports on the doings of our many activities, with descriptive, accurate sports news, and original, intelligent, and often amusing, articles on school life.

Theater reviews? Comments on college? Humorous work tips? Enlightening editorials? You'll find them all on "Echo's" pages.

Seniors have their own moments of glory when each issue spotlights three of their classmates in their Totem Pole. Accompanying each picture is an interview telling of the interests, pet-peeves, views, and ambitions of the celebrity.

Chief of this staff of hard working Injuns is Elliot Helfer. With the help of the faculty sponsor, Dr. Ruby Kaiser; associate editor, Toby Weisblatt; and a staff of future journalists and photographers; each issue of the *Crimson Echo* is stimulating reading.

As further indication of its excellence, the *Echo* has been accepted in the honorary "Quill and Scroll" Society.

F.T.A.

Under the leadership of Mrs. Mary Troy and Mr. Thomas Timmons, the Roosevelt branch of the FUTURE TEACHERS OF AMERICA has set up a successful student teaching program.

Twenty-five of the group's members assisted teachers at School 31 this year, thereby getting a preview of the life and problems of a teacher. The club's officers were Joy Zirkel, president; Conrad Miller, vice president; Lynne Douglas, secretary; and Helen Mangini, treasurer.

As part of a varied program, the F.T.A. also arranged panel discussions, student teacher reports and lectures by teachers and college representatives.

Through this beneficial organization Roosevelt students are able to judge for themselves the drawbacks and advantages of a rewarding career.

THE DEBATING CLUB

Resolved that: The United States should adopt a policy of reciprocal free trade with non-communist nations. It was on this topic that the RHS debating team argued vigorously this year. The members of the varsity team: Alan Brownstein, Robert Brownstein, Jennifer Koster and Phil Savath, met other schools in the Westchester Debating League to offer forceful, convincing arguments on this subject.

This group of distinguished debaters is led by Jennifer Koster, with the skillful guidance of Miss Elsa Brisk and Mrs. Judith Feingold. They learn to express themselves more clearly and become adept in the art of public speaking. Roosevelt can be proud of the intelligent interest in world affairs that stimulates the members of this club.

The products of the combined efforts of all the members of *Wig and Whiskers* are seen when they put on their annual play. In *Charley's Aunt*, presented this year, the performance of Jim Bodge, playing dual roles, will long be remembered by R.H.S.'ers. With increased interest and enthusiasm on the part of the RHS student body, the AMERICAN FIELD SERVICE re-organized its twenty member committee this year to include a flexible number of members. In its new set-up, the AFS now consists of an executive council, made up of the officers; Kenneth Adams, President; Michael Hall, Vice President; Susan Brown, Secretary; and the chairmen of various sub-committees. All other students interested in AFS make up the congress, their responsibility being to carry out diverse committee jobs.

Most important of these responsibilities is that of

choosing four juniors as candidates for the Americans Abroad phase of AFS. Early in the fall, through select committee interviews with both students and adults, Margaret Foody, Randy Levy, Judy Masur, and Peter Wolf, were selected as Roosevelt's semi-finalists. Later, Margaret became a finalist and was given the opportunity to spend this summer abroad.

Sponsored by Miss Augusta Williams, the AFS committee has carried out a successful program this year in its endeavor to further a worthy foreign student exchange.

Different viewpoints are discussed at an A.F.S. forum, February 28, 1963.

INGIBJORG UNNUR HJALMARSDOTTIR from Iceland was Roosevelt's lovely A.F.S. exchange student, this year. Living with the Wiesmans, Inga found life in the United States to be an entirely new experience. "Everybody Loves a L'Envoi" asserts Jane Young.

"Oompa . . pah!" the German Band brings humor to our world tour.

On October 17 and 18, the L'ENVOI SHOW was presented to launch the year-book subscription campaign. Steve Book, our narrator, took us from Greenwich Village to the Deep South on an imaginary world tour.

Continuing on the drama circuit, the Wig and Whiskers' show of December 7 and 8 was CHARLEY'S AUNT. Starring Jim Bodge as Charley's aunt and Henry Rakov as Jack Chesney; the leading ladies were Jane Young and Anita Yessian; Joan Mayer played the role of Donna de Alvadorez and a fine supporting cast made this performance a hit.

Another event of the 1963 year was the popular BAND and CHOIR CONCERT given on April 5th.

"It's for we, It's L'Envoi '63!" sing the Roosevelt Jets.

"Peter, Paul and Mary" sing at the Village Bitter End.

The sound of music and the harmonious blending of Roosevelt voices bring pleasure to many people in school and in the community. Whether it be Handel's "Messiah" or selections from "The King and I," Miss Dorothy Andrews' able supervision and direction has made their performances widely-praised events.

In December, eighteen members of the choir were selected to represent Roosevelt in the White Plains Sectional Choir, comprised of a group of choristers from schools throughout the county. Their participation in this all-county choir adds prestige to the already acclaimed Roosevelt choirs.

Both at practice and at the annual Spring Concert, Jane Young, Barbara Huber, John Forbes accompany the choristers in contributing to the fine traditions of Roosevelt High School.

BAND

THE ROOSEVELT HIGH SCHOOL BAND

Presenting the Roosevelt Band — the living symbol of true Roosevelt spirit! With a fine display of pep and precision, it has stirred up Indian spirit on the football field, at pep assemblies and in city parades.

The band has also shown its versatility by presenting both serious and novelty music at our Christmas assemblies and the Spring Concert.

This year, ten members of the band were selected to represent Roosevelt in the Westchester County Sectional Band, while Peter Solano and Frank Miller were honored by selection for the All-State Band.

Much of the skill of these musicians must be attributed to the fine training that they have received here in Roosevelt High School. Under the skilled direction of Mr. John Humphrey, the band is certainly deserving of the praise it has received this year.

Where's all the yelling coming from? Roosevelt's CHEERLEADERS, of course. The girls, in their perky red and white outfits, led by Captain Barbara Saunders, are a cheerful sight at every game. With never-ending pep and a constant supply of Roosevelt spirit, they inspire everyone to do better. At their urging the teams exert that extra ounce of effort, the spectators shout just a little bit louder, and that burst of spirit gives confidence to the Roosevelt side. Zealous and energetic as they are, we are glad that these girls are on our side, and we are certainly proud of them! This year at the county cheering festival our cheerleaders won first prize!

The Roosevelt Rough Riders, led by Co-Captains John Contacessa and Sal Cuccia, opened the '62 campaign on their own scalping grounds. Weeks of pre-seasonal drill and preparation were all in the past as the Roosevelt eleven lined up to meet the opposition.

Inexperience marked the first two encounters against powerhouses Peekskill and Port Chester. The first game had the warriors pitted against Peekskill, resulting in a 26-6 defeat. The lone tally came in the third quarter on a 70 yard TD march climaxed by QB Ron Pufahl's hitting E Andy Cavaliere in the end zone for the six pointer.

A muddy Port Chester field was the site of the second redskin setback by a lop-sided 50-0 score. Coach Monaco found the opportunity in the final quarter to give valuable playing experience to some of the bench members.

The third and final county tilt, against Mamaroneck, produced a solid defensive game. Mamaroneck drew first blood but the "injuns" retaliated with HB Al Guthrie leading the way. The boys lost a heartbreaker by a 13-6 margin.

With the county games over, a three-week lapse ensued in which the Indians prepared to meet their city opponents by strengthening the offense and stiffening the defense.

The revitalized braves opened the '62 City League campaign by crushing Lincoln 27-0. HB Dan Garrett started the onslaught with a first period two yard plunge, topped off with a successful Pufahl to Cavaliere conversion. Following a 40 yard return by Guthrie, "Gallop-ing Ghost" Garrett broke loose for his second TD. The attack continued into the second period with Pufahl dashing 20 yards for a TD, G Jim Ganzi rambling 52 yards

with an interception, and T John Contacessa adding a safety for two more points.

Aggressive team play continued as Roosevelt accounted for its second consecutive whitewashing, blanking Gorton 12-0. The first quarter's inactivity, shattered by the second-round-running of HB Sal Cuccia and Guthrie, was followed by a Pufahl flip from midfield to Cavaliere on the Gorton 35 who found clear sailing to the goal line. The second half's kickoff was received by Garrett who promptly romped 60 yards through the Gorton line for a TD.

The Crimson eked out Yonkers 7-6 in a long mud battle. A stalemate progressed for three periods until havoc broke loose in the fourth quarter when Pufahl plunged over from the one yard line and went on to complete a conversion to Cavaliere. Yonkers' 90 yard TD return was rendered harmless when 245 lb. "Pudge" Stewart's last minute recovery of a Yonkers fumble, on our own two yard line, saved the game.

The undefeated Crimson looked forward to its annual Thanksgiving encounter with undefeated Saunders, with the City Crown at stake. Defense dominated first half play but Saunders surged on for twelve points in the third quarter. The redmen renewed their attack and staged a last quarter stand as Cavaliere plucked a 20 yard Pufahl aerial for a TD. The team pressed hard throughout the quarter but could not beat the clock as the final seconds ticked away, the score remaining 12-6 and Roosevelt absorbing its only city defeat.

Thus the season reached its climax, leaving its mark in Roosevelt's annals. With Coach Monaco at its helm the team ended its near-successful season throughout which they exhibited sportsmanlike football in the true Roosevelt tradition—with a war-whoop!

JV CAPTURES CITY CROWN

Skirting the ends.

The young braves of the tribe outdid their warrior counterparts by scampering off with the City J.V. Crown. Brilliant line play by T Tom Cleverdon, QB Tom Cainoe's passing, the running of HB Tony Fieraro, E Bo Glover's aerial grabs, and the playmaking of C Ed Picarello, sparked the team to a fine 3-0-1 record.

Roosevelt's juniors played Lincoln to a 7-7 stalemate in their initial start, routed Yonkers 27-6 in their second attempt, crushed Gorton 32-6 in their next encounter, and ran over arch foe Saunders 32-0 for the final scalp of the season. The team, tutored by Coach Frank Kosky, promises some great prospects for next years' varsity.

CROSS

The hustling harriers once again displayed their mastery by "high-footing" it home with the city title. Ably led by Chief Seidell, the Crimson not only swept their second consecutive city title, but also rounded out a perfect season by winning all four of their meets.

The team initiated its '62 campaign by drawing the fangs of Gorton's Wolves 23 (2,3,4,5,6,7)-32 (1,4,8,9, 10). In the second meet, the "Injuns" ran off with a perfect score defeating Lincoln 15 (1, 2, 3, 4, 5)-40 (6, 7, 8, 9, 10). The third meet staged a double-header—the Crimson disposing of Saunders 19 (1, 2, 3, 6, 7)-36 (4, 5, 8, 9, 10) and vanquishing Commerce with their second perfect score of 15-40. Another triumph was provided in the final meet against Yonkers 19 (1, 2, 3, 6, 7) -36 (4, 5, 8, 9, 10).

These victories proved to be only incentives for the real test—the City Meet. Meeting the opposition, Roosevelt swept all six challengers, the final tally reading Roosevelt 36 (2, 6, 8, 9, 11), Gorton 48, Yonkers 69, Saunders 77, Commerce 116, and Lincoln 119. The Crimson standout, Junior Alan Yates, took second with a 13:13 sixth was Sophomore Steve Herrick at 13:19, Senior Dave Wagner came home eighth with a 13:57, in ninth position was Marshall Kramer at 14:01, and Bob Pulver eked in eleventh at 14:12.

The harriers' success was greatly attributed to such stalwarts as seniors Dave Wagner, who came in first in all of the four meets, and Bob Tanzi, a hefty hustler.

Coach Seidell and his squad of young talent promises to have another winning combination for next year.

The lineup

Displaying a well-balanced offense and a well-coordinated defense, Roosevelt's hoopsters posted an overall 11-7 log in W.I.A.A. action. The city campaign, although not completely successful in that the Crimson Cagers failed to annex their sixth consecutive Yonkers City Title, was highlighted by an excellent 8-2 record and an unprecedented 53-7 record in the past six years of city competition.

Roosevelt's varsity consisted of six hard fighting men. Andy Cavaliere copped scoring honors for the second year in a row by amassing a 240 point total and a 16 point average. Towering Dave Friedman followed close behind with a 236 point total and a 13.9 average. Doug Ford, with a 10 point average, was noted for his clutch shooting and brilliant passing that set up several key plays. The trio swept the boards for 80% of the rebounds. Aggressive play, timely shooting, and fine backcourt action are attributed to Al Guthrie, Ron Smalls, and Jerry Gold.

The Indians' season was a mixture of elation and disappointment. A well-fought opener was dropped to New Rochelle 51-57. The team bounced back to romp over Gorton 51-40 on the strength of a 21 point performance by Doug Ford. Led by Ron Smalls, the Bookkeepers of Commerce were trampled 71-38. Nemesis White Plains dashed our hopes for a third victory with a 57-71 defeat, coupled with Mount Vernon's similar treatment to the tune of 52-60 a few days later, with Dave Friedman pumping in 21 markers. In a two-game winning spree, Saunders was trounced 76-57 behind Doug Ford's 22 points and Al Guthrie's sparkling hooks. The next victim, Lincoln, was completely befuddled by Andy Cavaliere's dual board control and 21 point output that resulted in a 78-57 clobbering.

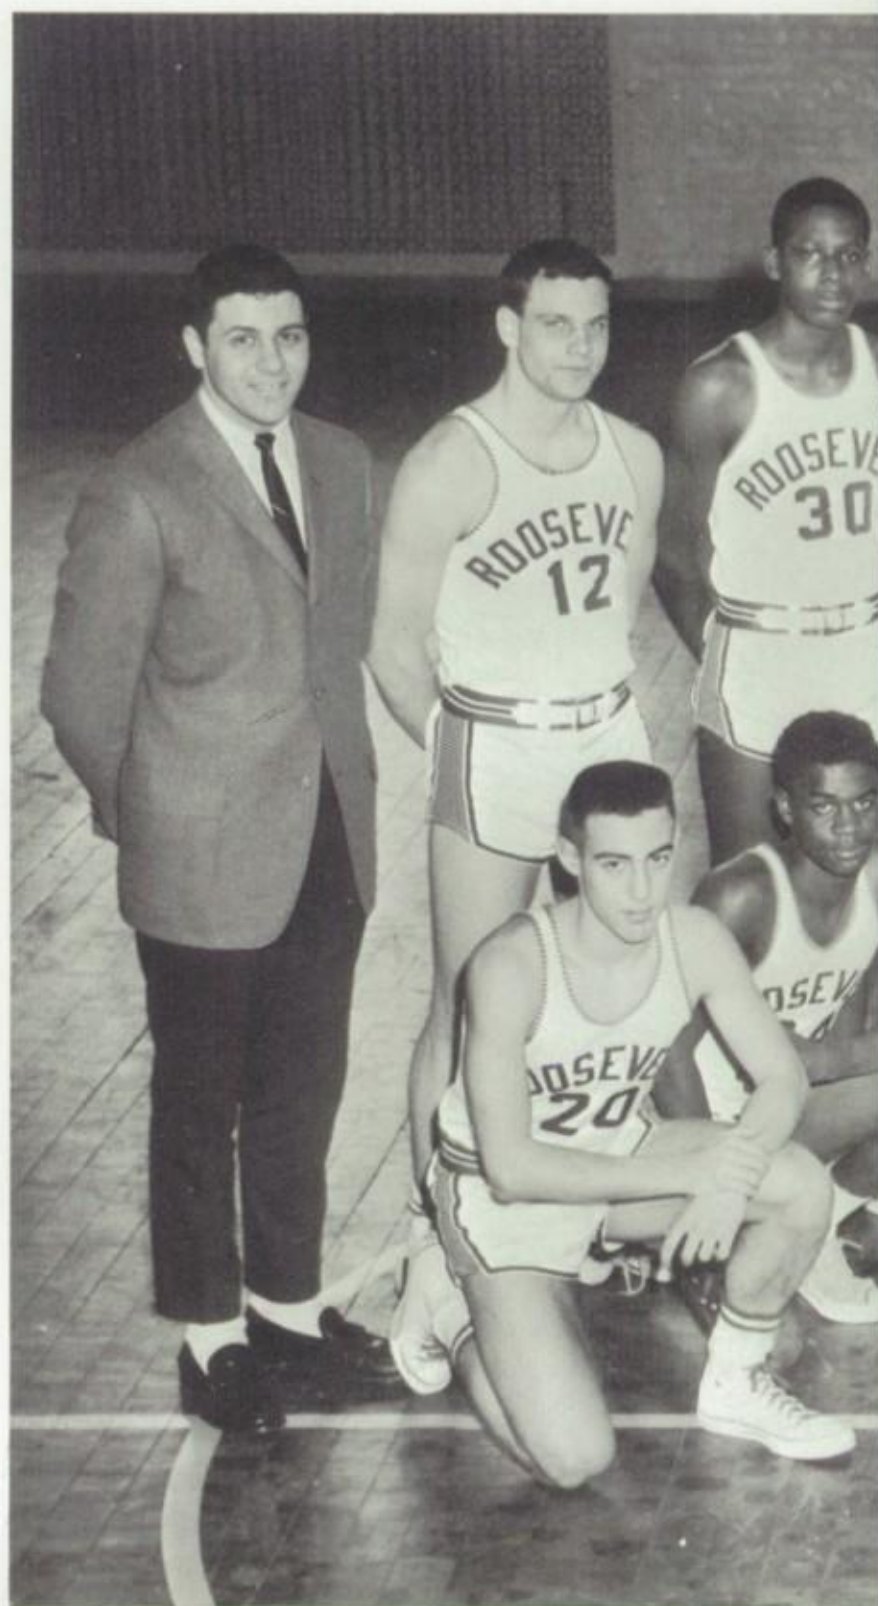

The year's thriller pitted Roosevelt against Yonkers in a game that went into double overtime. The hair-raiser, highlighted by 26 and 24 point performances by Andy Cavaliere and Dave Friedman respectively, was fought right down to the wire, Yonkers sneaking by, 74-72. Undaunted, the Redskins roared back by initiating a six game winning streak which saw them nip, in overtime, a highly touted Gorton team 50-49 and massacre Commerce 94-69, a game in which every member of the team scored. Still on the victory path and gaining more momentum, the Cagers gained a measure of revenge by edging out a spirited New Rochelle quintet in the waning minutes, 64-62, and routing Mount Vernon 59-49 by way of Andy Cavaliere's 24 points and Jerry Gold's key playmaking. The team mounted to the crest of the wave of victory and rode home, defeating Saunders 76-46 and Lincoln 75-47 on the way.

The Indian's wave of victory ended in a sea of disappointment. The Yonkers City Title game saw the winning streak snapped, as a surprisingly strong Yonkers team pulled out a 54-60 win in a game in which the Redmen played their hearts out. In their second struggle with White Plains, the Tribe was defeated in a tightly played game 53-60. The season came to an end on a triumphant note as the Hoopsters handed the Tigers of Mamaroneck a 69-64 setback, while Andy Cavaliere sank taps, hooks, and jump shots good for 25 points and Dave Friedman swept the backboards.

Crimson hopes for a sectional championship died early. Friedman, Ford, Guthrie, Smalls, and Gold all hit double figures but to no avail as Mount Vernon was at the better end of a 75-83 score.

The team compiled a total average of 65.3 points per game over 17 games, while allowing the opposition only 56.5 points per game. Part of the team's success was due to the excellent men supporting the starting team. Steve Cohen, Jeff Martin, Dan Garrett, Frank Jensen, Al Yates, Ernie Braue, and Boo Glover, a JV star brought up late in the season, all contributed to the team's winning ways.

Coach Seidell exemplified the true spirit of sportsmanship, both in his own actions and the manner in which he coached his boys. Joe Seidell was as much a part of the team as any player and can be truly proud of his indomitable Indians, ending their season as always — with a war-whoop!

36 — 22 (— 36 seconds left!)

This year's JV Basketball Squad, members of which are bound to reach the heights of success on forthcoming varsities, slightly outdid their Big Indian counterparts by tying Yonkers for the city championship. Their 9-1 record and overall 13-4 slate was one of the best in the county.

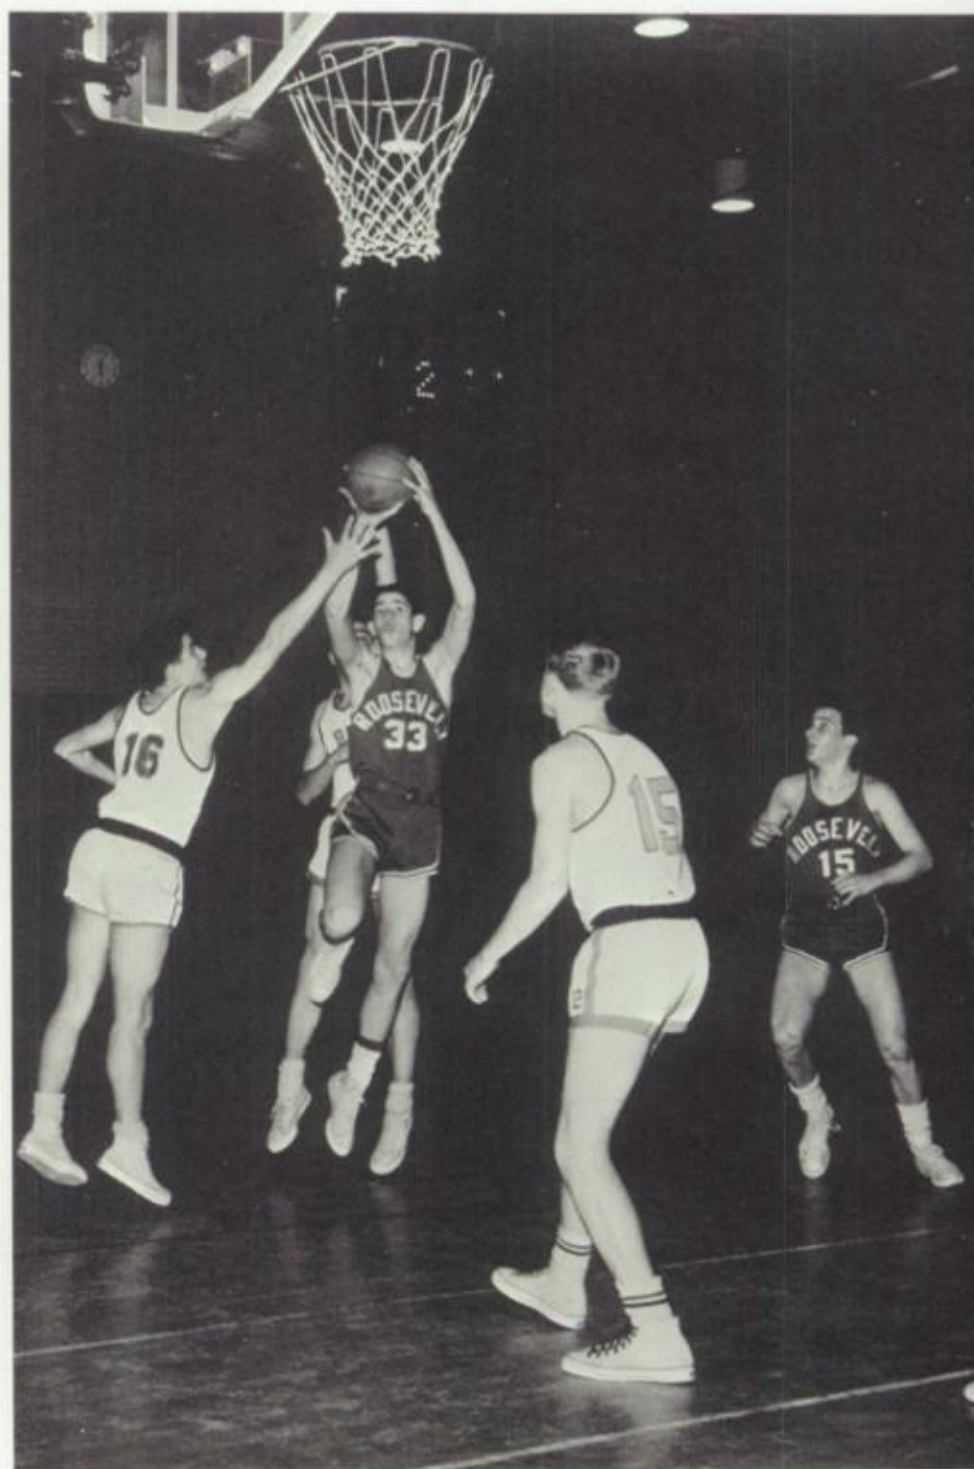

Coach Flower saw his papooses pull out of tight spots and win some difficult ones in an exciting season. Paced by top scorers Steve Hoffman and Boo Glover, each boasting 10 point averages, playmakers and swishers Bob Pulver, Ned O'Connell, Tom Cleverdon, and Barry Gottlieb, the team scalped the first seven oncomers and thirteen of the upcoming fifteen.

Their lone city reversal came at the hands of Yonkers 36-40, but in their second encounter they massacred 59-29. The team also took two jousts each from Gorton, Commerce, Lincoln, Saunders and Mount Vernon, plus two splits with tough White Plains and New Rochelle.

Coach Flower did a fine job in developing future basketball potentials, while the team did a commendable job of keeping up the Roosevelt tradition.

AQUANAUTS

Aggressiveness and determination motivated the aquamen as they splashed their way through a fine season. Despite the loss of the entire first team through graduation, Coach Joe Rodner was able to guide his mermen to a respectable 4-6 record.

Outstanding members in the various events include: 50 yard freestyle — Mike Panio and Harry Brossman; 100 yard freestyle — Howie Royston and Larry Pipp; 200 yard freestyle — Don Bodron and Marc Kamin, 100 yard breaststroke — Phil Ammann and Don Slota, 100 yard backstroke — John Karow and Al Marans; and the 100 yard butterfly — John Hartleib.

Recognition was brought to Roosevelt in the 100 yard freestyle, as Howie Royston posted a time of 60.5 seconds, fastest in the city.

Next year's first string swimmers will be fashioned from a veteran group of fine juniors and sophomores.

READY RIFLEMEN

The ready riflemen, under the direction of Coach Bruce Worthington, have completed one of their best seasons in recent years, with a 7-6 record.

Top varsity guns this year were Chuck "Hot-shot" Haman, averaging 173.3 points per game out of a possible 200, Pete Lobato, captain, at 167.4 Dave Curtin and Howie Adler both at 166.8, and females Leslie Fleck and Lynda Tallarico at 159.5 and 157.7 respectively. The team was backed up by substitutes S. Heitzner, E. Kivel, K. D'Alessandro, J. Haman, and A. O'Hara.

The sharpshooters showed excellent strength and scoring throughout the season in posting their 7-6 record. With a State Sectional trophy in mind, the marksmen submitted one of their strongest teams in past tourneys. Still they were only able to place fifth despite a fabulous 182 shot by Chuck Haman, netting him an individual third place and a 179 shot by Dave Curtin. An individual honor was bestowed upon Lynda Tallarico when she received a bronze medal for placing third in the girls division with a 159.

Graduation will cost Coach Worthington his whole first team, but he hopes to build a solid team around such fine prospects as Jim Haman and Ken D'Alessandro.

KLASSY KEGLERS

She's heading right for the pocket.

Despite a slow start and a mediocre record, the bowling team, under Coach T. Timmons' tutelage, gained momentum towards the end of the campaign. The pinbusters rolled through the last month of the season on the strength of eleven victories and six losses. The hot streak included a 3-1 victory over Commerce, the first place team in the city, and a 3-1 win over New Rochelle, the second place team in the county.

Individual honors were bestowed and trophies awarded to Steve Schwartz for bowling a high game of 237, and Greg Kitter for maintaining a season's high average of 168.

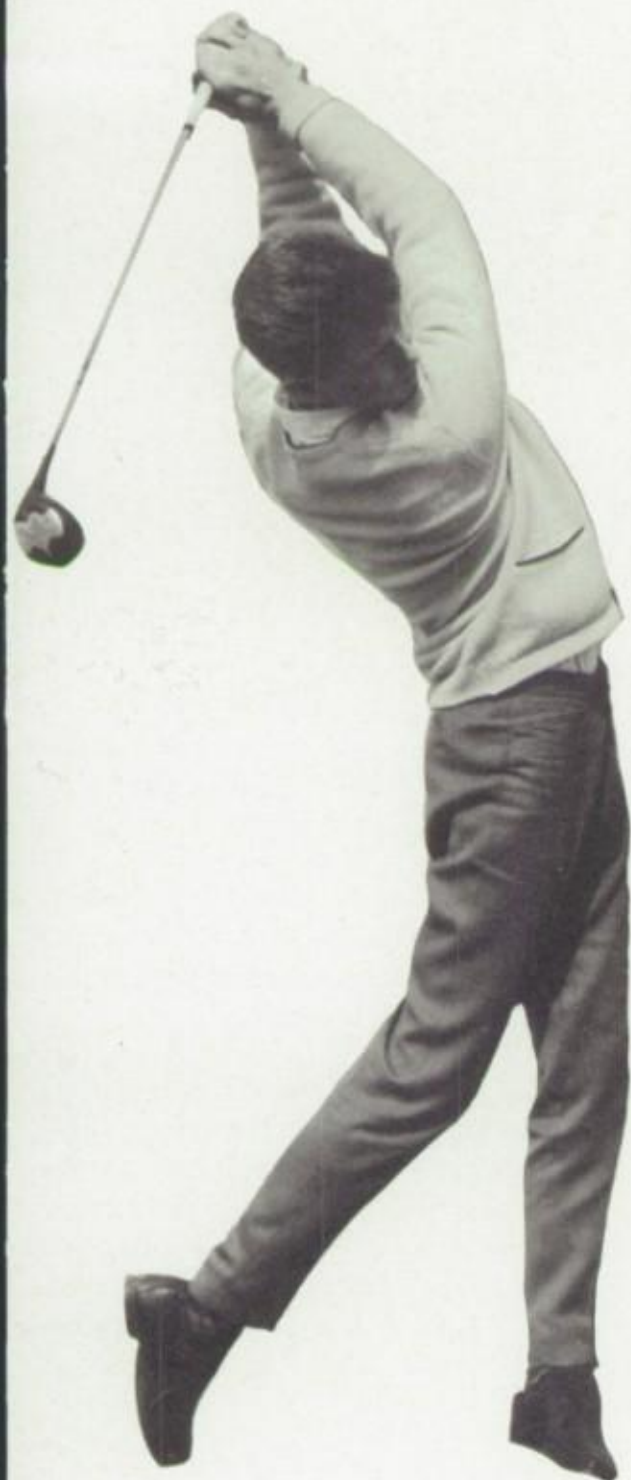

Next year's team will be built hopefully around veterans Greg Kitter (168), Nick Antonucci (167.5) Dave Siegle (166.2), Jeff Linden (162.9), and Steve Schwartz (158.2).

GOLF GREATS

Peterson's in fine form.

The Indians, with their clubs in their hands, are set to follow the same warpath that last year enabled them to walk over every city opponent. In posting a phenomenal 16-1 overall record, they received only one county setback. The championship season resulted in their sixth consecutive city title, retiring the trophy for the second year in a row, and the second consecutive county title.

Coach W. Norton will have returnees Bob Peterson, who shot a season's low of 71, Dan Friedman, and Chris Fabry, captain, to round out his "big three." Boasting another strong team, the golfers expect to "drive" through all city and county opposition to retain their titles.

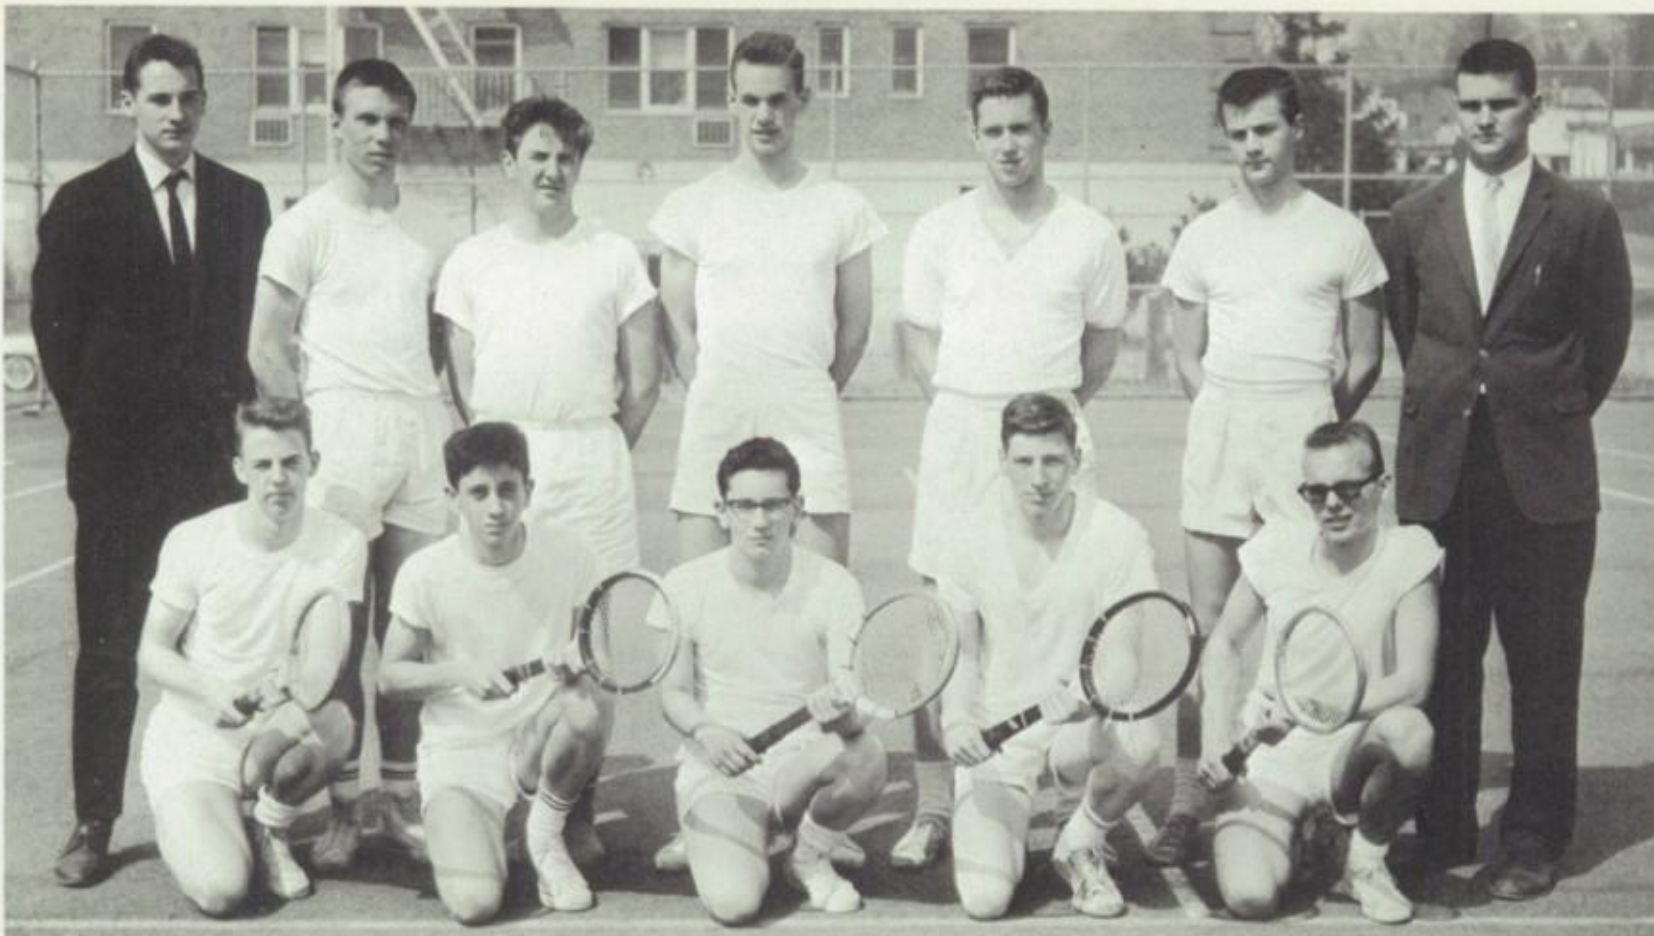

The iron hand of Fabry.

RACQUET SQUAD

After four consecutive championship seasons, last year's netmen were forced to give up the trophy on account of a 2-5 record. Coach A. Kilcullen hopes to regain championship form by building a strong team around returnees Ken Adams, co-captain, Tom Silinski, co-captain, Charlie Flood, Rich Brown, and Chris Wilker, all of whom won games last year. Backing up the first stringers and sharp prospects are Bill George, Don Waldman, Roy Tepper, and Ron Florkowski.

BASEBALL

Roosevelt's diamond specialists, coming off three successive championships, were runner-ups in last year's city action with a 6-4 record. Coach Seidell seems confident of enjoying a championship season and returning the city crown to its familiar roost, since the entire 1962 starting nine is returning for another crack at the ball.

This year's squad boasts a fine around-the-horn infield combination in Jack Magee (3B), Vinny Grippi (SS), Jeff Bongard (2B), and Doug Ford (1B), the ball-hawking being tended by Sal Cuccia (CF) and Jeff Martin (LF), and the battery consisting of Ron Pufahl (P), John Naglieri (P), Charlie Boccia (P), and Ira Kotler (C).

TEAM

Roosevelt's trackmen completed a fine season last year by compiling a 5-3 slate and placing fourth out of seven in the City Track Meet. They also gained recognition by submitting a relay team that captured third place out of a field of thirteen teams in the County Invitational Meet.

A weakness in last year's team was the long distance events; but that aspect will be corrected by the presence of Al Yates (2 mi.) and Dave Wagner (1, 1/2 mi.), both members of the championship cross country team, along with Jim Goldberg (1/2, 1/4 mi.), Jim Frazer (1/2, 1/4 mi.), Frank Jensen (1, 1/2 mi.), and Bob McGorry (1/2 mi.). Strength and speed will be incorporated in the sprints and short relays featuring Adrian Misarti (220, 100 yd.) and Rich Frankel (220, 100 yd.). Pole-vaulting chores will be shared by Tony DeStefano, third in the city last year; Mike Picciano, and Mark Mahlke. In addition, it will be up to John Falco to put the discus into orbit and John Contacessa to heave the shotput.

With the added strength in the distance events and the already strong veteran representation in the dashes, relays and field events, Coach Monaco will make a fine attempt to capture the city trophy.

Falco: "The Discuss Thrower."

Misarti to Frankel: Leggo, will ya!

PHYSICAL FITNESS

Mrs. Mark

Mrs. Quinlan

Mrs. Mark and Mrs. Quinlan are well known to all the girls of Roosevelt. Besides teaching their regular physical education classes they sponsored five clubs, one for each day of the week. They have shown how exercises, individual stunts and team cooperation can be combined toward the goal of physical fitness.

A new activity this year was the Girls' ICE SKATING CLUB which took advantage of the nearby Murray Rink. While some girls concentrated on cutting fancy figures, others were satisfied with trying to steady their ankles.
